If you wish the church to do your church flowers please contact Glenda Martin 812236.
Cost depends on the flowers you require.

If a couple wish to play a CD during their wedding service then no licence is required. This is because a wedding/funeral is seen as an act of worship and is therefore exempt from needing licences to play music within them, including pre-recorded music.

If a couple wish to record their service they will need to obtain a one-off licence to allow them to do this. The licence is a Limited Manufacture (LM) Licence and is available from PRS for Music at www.prsformusic.com/lm cost depends on amount of copies made.
